

Zoom Guidelines for Children and Parents

- The school will create and send out the invite to the zoom session/meeting.
- No personal information to be shared over the video verbally or through 'share screen'.
- Preferably, only one parent to support the child during a zoom teaching session - no additional friends or family.
- Photographs, videos or screen shots not to be taken or shared or meeting information uploaded to social media.
- Parents to check home equipment is safe to use.
- Staff member will always be the host.
- No inappropriate language or gestures tolerated from any parties.
- TV / radios in background to be turned off.
- Staff member will use the mute function to keep the meeting/teaching session to agenda and controlled.
- Parents/children only to unmute when directed.
- All parties to be fully and appropriately dressed, i.e. no swimwear, children in underwear.
- Staff member (Host) has the right to end the meeting at any time if they feel any of the control measures are not being adhered to.
