

Optional Holiday Home Learning Challenges

The Summer holidays can seem very long for some children especially if the weather isn't great. So we've set a couple of optional home learning tasks. Do not feel obliged to do these, they are purely for fun. You can do none, one or both we don't mind. Our normal weekly home learning will be sent home on the Thursday of the first full week in September. There is no deadline for the optional holiday challenges.

Challenge 1 is a reading challenge.

Challenge 2 links to our topic Stone Age.

Challenge 2

Create a Stone Age diorama (A 3D scene) using any materials you have got.

Holiday Reading Challenge!
At Brook House we love reading!
Do you?

During your Summer holiday see if you can find a way to show how much you enjoy reading.

You could have a photograph taken of you reading, maybe it could be in an unusual place.

It could be a new book cover design for your favourite book and a few sentences explaining why you like it so much.

Maybe you could write about why you've enjoyed a book and recommend it to somebody else.

It could be a list of all the books you have read over the Summer, maybe you could write about which was your favourite and why.

You could design a poster encouraging other children to read.

Bring your work in during the first two weeks in Year 3 and it will go on the wall, so do your best to present it neatly! Will you be our holiday homework superstar?

Good luck on your first holiday mission!
